OBJECTIVE

A motivated and detail-oriented Frontend and WordPress Developer with 3+ years of hands-on experience in developing responsive, user-focused websites. Proficient in HTML5, CSS3, JavaScript, Bootstrap, WordPress, Elementor, and Beaver Builder, with experience delivering 50+ websites and implementing Figma designs into functional web experiences. Seeking an opportunity to leverage my technical expertise and creativity to build high-quality, scalable, and user-friendly websites.

WORK EXPERIENCE

- **Vsplash Techlabs Private Limited, Hyderabad** JUN 2026 - SEP 2026
  Wordpress Integrator I
  Develop responsive WordPress websites based on client requirements and Figma designs. Handle design, content, functionality, and responsive optimization within deadlines. Perform QA, resolve issues, and deliver high-quality websites on time.

- **Wingslide Technologies Pvt., Ltd., Bangalore.** SEP 2024 - JUN 2026
  Web Developer
  Developed over 30+ websites, creating static sites using Bootstrap and product-focused websites using WordPress. Collaborated remotely with clients in New Zealand and Australia, specializing in front-end development to deliver clean, responsive, and user-friendly web experiences.

- **PeerMe Software Technology Pvt., Ltd., Bangalore.** MAY 2023 - MAY 2024
  Associate Software Developer
  Collaborated with the team to analyze system requirements based on client needs. Specialized in developing desktop software with a strong focus on creating intuitive user interfaces and engaging designs, complemented by essential backend integration.
